Who is Fuzzy Ball Wines?

At Fuzzy Ball Wines we love our tennis! So much so that we've brought together four top Aussie wineries (Grant Burge, Tyrrell's, Alkoomi and Cuttaway Hill) to help tennis clubs Australia wide with ongoing funding for court maintenance, player development, coaching and membership.

When you order through Fuzzy Ball Wines, \$25 from every case goes back to your club.

A large percentage of tennis clubs rely on the efforts of enthusiastic members, volunteers and staff to raise an annual average of \$2000 per club. With our donation of \$25 per case, your club could achieve this annual fundraising target with only 80 members buying one case of wine per year.

Not only will your club gain ongoing funding, but all wines purchased through Fuzzy Ball Wines are heavily discounted & delivered FREE of charge Australia wide.
